

# Adrian Campbell

Gold Coast, Queensland, Australia

[linkedin.com/in/adrian-campbell-84878a269](https://linkedin.com/in/adrian-campbell-84878a269)

## Summary

Adrian is a multifaceted entrepreneur with a wealth of experience spanning across several industries including mining, property development, technology and data companies, hospitality and resort ownership, as well as civil earthworks. With a solid foundation as a real estate agent, Adrian has built a significant property portfolio, demonstrating his keen eye for valuable assets and opportunities. His involvement in multiple startups showcases his ability to identify and nurture innovative business ideas, contributing to his reputation as a dynamic business leader.

An Australian resident who has lived across Asia for over a decade, Adrian's global perspective enriches his approach to business. He is not only well-versed in the complexities of international markets, but also brings a unique blend of cultural insights into his ventures. Adrian's personal interests include boating and golf, which he enjoys amidst the scenic beauty of Asia's beaches and warm weather. A dedicated father to his son, Adrian values family time and the balance it brings to his busy life.

An avid stock market trader, Adrian's financial acumen extends to seeding businesses, where he leverages his experience and resources to support promising startups. His hands-on approach and strategic thinking have been instrumental in guiding these businesses towards success and sustainability. Adrian's diverse expertise and adventurous spirit make him a standout entrepreneur, constantly exploring new horizons and opportunities for growth.

### **Managing Director**

Australasia Marketing Pty Ltd

Apr 2017 - Present (7 years)

Australasia Marketing is a premier property development company specializing in the creation of high-end standalone homes, designed for those who seek luxury and exclusivity. With a keen eye for prime locations and an unwavering commitment to quality, we pride ourselves on developing properties that are not just homes, but masterpieces of architectural and interior design. In addition to our development projects, we are avid property investors, strategically buying, holding, and renting out properties for holiday stays across Asia via online travel agencies. This diversified approach allows us to capitalize on the vibrant holiday rental market, offering travelers exceptional accommodations in some of the most sought-after destinations. Moreover, our expertise extends to flipping properties, where we apply our deep market knowledge and renovation skills to enhance value and achieve substantial returns. At Australasia Marketing, we blend innovative development with savvy investment strategies to create and manage a portfolio of unparalleled properties across Asia.

## **General Manager**

Troppo Zone Puri Rama Resort

Jan 2012 - Jul 2015 (3 years 7 months)

As the General Manager and owner of PT Rama Legian's Troppo Zone Resort in Bali, I spearheaded the transformation of hospitality by blending luxurious comfort with the island's vibrant culture.

Our resort, a sanctuary nestled in the heart of Bali, offers guests an unparalleled experience of relaxation and adventure. Under my leadership, we focused on creating unforgettable memories for our guests, through personalized service, exceptional amenities, and an authentic connection to the local community. I'm proud to have led a team dedicated to excellence, setting new standards in the hospitality industry and contributing to Bali's reputation as a world-class destination.

## **Managing Director**

Green Energy Corporation of Australia

Jun 2013 - Nov 2014 (1 year 6 months)

Green Energy Corporation Australia is at the forefront of commercial solar solutions, championing the transition to sustainable energy across the business landscape. Specializing in the design, installation, and maintenance of high-efficiency solar systems, we empower Australian businesses to harness the sun's power, reducing energy costs and carbon footprints. Our expertise and commitment to excellence ensure that each project delivers optimal performance and financial savings, making us the trusted partner for companies looking to invest in a cleaner, greener future.

## **Managing Director**

International Led Lighting Solutions

Jul 2011 - Nov 2014 (3 years 5 months)

Illuminate the future with us—a leading LED lighting company at the forefront of sustainable energy solutions. Specializing in assisting government entities, we leverage the latest in LED technology to enhance public spaces while capitalizing on energy rebates. Our mission is to provide eco-friendly, cost-effective lighting solutions that not only brighten communities but also contribute to a sustainable planet. Join us in our journey towards a brighter, greener tomorrow.

## **Managing Director**

Solar Solutions

Jul 2010 - May 2014 (3 years 11 months)

Leading the charge in sustainable energy solutions, our company specializes in solar panel installations with a proud track record of over 5 megawatts installed to date. Dedicated to advancing renewable energy adoption, we work closely with homeowners, businesses, and communities to design and implement solar projects that not only reduce carbon footprints but also lower energy costs. Our commitment to quality, reliability, and customer satisfaction positions us as a trusted partner in the transition towards a cleaner, greener future.
